## Somerset Performance – 1/22/09

# Itinerary

- The band trailer will be set up at the very back of the school at Somerset, almost to the track. We will meet there at the trailer in the morning. **YOU MUST BE DROPPED OFF AT SOMERSET.**
- Drop off will be on Rumble Rd. - come in through the back gate, walk the track, and wait at the trailer. If you are dropped off on Floyd (in the front) you can walk through the center or left side of campus. You can not walk through the right side of campus due to construction!
- Do not meander around campus - go straight to the trailer when you arrive, and go straight to the buses when we are done.
- The buses will be waiting afterwards on Rumble Rd.
- We want to make a great impression on Somerset Middle School so we have their full support in sending future Band & Guard members to Beyer! You are our ambassadors for the program. Please be on your best behavior!

7:15 AM	Front Ensemble students meet at Somerset to unload and set up. EVERYONE in front ensemble must be there to help.
7:30 AM	All other band students meet at the back of the gym <b>AT SOMERSET</b> by the band trailer. Please do not roam through campus! Unload immediately upon arrival.
8:00 AM	Assemblies for Somerset students.
10:00 AM	Load truck and return to Beyer on buses IN UNIFORM. You are not allowed to change at Somerset.
10:45 AM	Arrive at Beyer - change out of uniform (locker room, bathroom, etc.)

***Everyone in Marching Band/Guard has 5th period lunch today.***

Performance will include:

- Fall 2008 Show
- Fight Song
- Kit Kat (pep tune)
- Winter Percussion Music

**When we return to Beyer, make sure ALL of your equipment is put away properly, ALL your personal belongings are taken with you, and the band room is CLEAN.**
