Disneyland/WBA Trabuco Hills Competition

11/13/09—11/15/09

- Be sure to be on time to 'report times' and 'check-ins' so we stay on schedule!
- Always say "thank you" to the Blue Crew and other parent volunteers, and don't let them do all the moving and loading for you. We can't take them for granted; without these amazing volunteers, we would not have a program!
- Please make sure you always conduct yourselves with the class and professionalism that people associate with the Beyer program. Be extremely humble during the awards ceremony and cheer for other groups.
- During unloading and loading, everyone helps! Make sure the room is absolutely clean and everything is put away properly.
- Remember to stay fully hydrated and drink water at every rehearsal break. DO NOT drink soda or sugary drinks before your performance!!!
- Before you leave your house on Friday morning, ask yourself: "**Do I have everything I need to be successful this weekend?**"
- **In Disneyland, each student must wear their theme shirt throughout the day! On Saturday, students should wear a white t-shirt underneath their uniform. Students, I recommend you bring a school t-shirt and/or coat/jacket to wear after our performance Saturday. You can wear theme shirts, but remember you wore them all day Friday! In the stands, we need to represent Beyer in a very professional manner! STUDENTS/CHAPERONES: NO VIDEO OR PICUTRES BACKSTAGE!!!**
