

WBA Merced Competition

November 6, 2010

- Please eat a healthy breakfast and lunch; you will have a long day of practicing and performing!
- Bring plenty of water with you and stay hydrated all day!
- Make sure you have everything you need for the day! Uniform, shoes, gloves, theme shirt, etc. Make a list!
- Always be sure to say "thank you" to the Blue Crew and other parent volunteers, and don't let them do all the moving and loading for you! We can't take them for granted; without them, we would not have a program!
- **Please make sure you always conduct yourselves with the class and professionalism that people associate with the Beyer program. Remember to have good sportsmanship and cheer on other groups: They work just as hard as you!**
- During unloading and loading, everyone helps! Again, DO NOT let the Blue Crew do all the work! Make sure the band room is absolutely clean and everything is put away properly before you go home.
- Let's have a great day, and more importantly a GREAT performance!!!
